“ To My Tony, (or Tony-Bony as I like to call you), It's been 4 weeks now since you left us, and Nick and I miss you so very much. We're packing up the house right now, the very place you picked out for all three of us to make a home. It was only to be our home though for a very short time, for you were unexpectedly called Home to the Lord. The three of us were suppose to pack up and move to VA, but since the Lord had other plans for you, Nick and I will take care of the packing and we'll make our way to NY. We wish so much you were coming with us. Always know you were loved by us, and you will always be loved by us. We miss you so very much, and we'll always miss you. Please let Baby Michael know how much I love and miss him, and one day we will all be together. I love you Tony-Bony. Rest peacefully, you deserve to be at peace. All my love, 'D' xxxxxxooooo

“ Dear Mrs. Donna and Nikki, We are truly so sorry for your loss. Even though there is no blood relation to y'all, we feel like y'all have become a part of our family. This Christmas was so nice to share with all of you. We felt like you guys have been apart of our family for years. Just know y'all are in our thoughts and prayers during this difficult time. If you need anything, please let us know. With deepest sympathy, Scott, Missy and Mary Hollis Kidd

“ I am sending to The Trnka Family, my deepest sympathy and sincere condolences on behalf of myself and entire Spinelli Family. I did not know Anthony well. We did however grow up on the same street in Farmingdale NY, Cedar Avenue. As I recently learned we were both born in Brooklyn NY as well. We were also freinds on Facebook. It is a small world. Today especially, the world feels even smaller. As I can only imagine the loss your family feels, you are all in our thoughts and prayers.

“ When I moved to Cedar Ave I was 9 and you were 7. We had so many good times together growing up in Farmingdale. Watching Star Trek at your house on Tuesday nights(you had a color TV), softball games in the street(most of our friends lived on Cedar Ave. back then), into our teens and as single young adults(those good times I can't mention here). We were always doing something together until you left the Island in the 90's. We lost touch and now you were taken too soon and much too quickly. Thinking of you and your extended family. You were a good guy. Steve
