“ Dear Mr and Mrs Rowe, Adam and Anne Marie, We were sorry to read today of the passing of your father and grandfather. We did not know until this morning. People can say he's in a better place and that he is better off which is true but it doesn't help the hurt one experiences during this time. We know from the recent death of my mother that it takes time and prayer to heal one's heart. We will pray for your family that god touches your hearts and will help your family to heal. We are thinking of you all. Charlie and Ann Baker

“ *Papa was one of the most humble men I've ever met. He was a role model beyond compare to the men growing up in his shadow. He will be missed and was loved so much. I was lucky to call him Papa for a time and even more blessed to have my daughter as one of his legacy of love.*
