“ Hello Carolyn and Travis-
This is Diane Prucino, Meg Heyse's mother. When I went online to try to find you, I came across Arno's obituary. I had heard of his passing at the time, and I am very sorry for your family that you lost him so young. He was always very nice to us, and I know his passing must have left a big hole in your lives.

The reason I was looking for you online is because I wanted to let you know that our dog Topsy died yesterday. He was almost 16 years old. As you may recall, we got him from you when Meg and Travis were in the second grade! He helped us raise our kids and was truly a part of our family. Tom and Meg and I were with him when he died. Tom buried him by our back fence this morning. He guarded that fence with his life and his loud vocal chords every day!

Thank you for bringing Topsy into our lives. He brightened our lives for many years.

Please accept our sympathy for your grief over the death of your husband and father.

Warmest regards,
Diane Prucino
