“ *Paula, Nancy and family - please accept my condolences on the loss of Brent. I did not realize that he was 91 years old. At least you have the knowledge of knowing that he lived a wonderful life and has had a glorious reunion with the love of his life, Jean. I was absolutely shocked to find out that she was deceased. It really upset me that not having known , I did not acknowledge her death in any kind of way. I met the Eanes family when I attended Raymond Baptist Church. I always enjoyed talking with Jean, as she was such a kind and sweet lady. My thoughts and prayers go out to all of the family. May the Lord wrap his loving arms around you and help you to find comfort and peace, as only He can.*

Mr. Brent could always make you smile. The church family truly missed him when he could no longer attend services. He and Miss Jean are walking the streets of gold. May God give you strength for the days and weeks ahead.

Brent was someone you loved talking with because he had such interesting stories about his life with Jean in Newnan. As he would tell his stories I would remember things and places in Newnan that I had not thought about in such a long time. His mind was so alert as he would go back in time. He loved his family and friends and to their credit he had a wonderful life filled with fun and love and told me many times that he was spoiled by all his family and especially Jean. He will be so missed by all who loved him.

Brent was never afraid or hesitant to share his faith in the Lord Jesus Christ. He was a strong family man who not only loved his Lord but also his family. And as his health would allow, he was always faithful in his attendance and fellowship with others in worship services. He was always full of surprises and quick to share his moral and political convictions with anyone listening. His quick wit and warm smile will always reside in the hearts of those who loved him. I'm sure he is having a wonderful time with Jesus and his beloved wife Jean.
