“ Ashley will forever remain in my heart, as one of the sweetest ladies I ever met. I held her beautiful baby in my arms, just prior to her discharge from Piedmont Hospital, and deeply regret her untimely demise. Heartfelt sympathy, love and blessings to the entire family.

“ I watched Ashley grow from a very young, awkward looking teen into a beautiful young woman! She had the best heart and an amazing sense of humor.
I was honored to be present at her gender reveal ultrasound with the rest of the family! Thank you for including me
My heart aches for anyone who knew her. To know her was to love her...

“ Ashley, I am still in shock that you are gone. You were a huge part of our lives for many years. I treated you like my own child. Lucky for you, right
(I can see you rolling your eyes at that one)
and I loved you dearly! But you knew I did! I have always had hopes that you and ily would be reunited one day as mother and daughter. I was only supposed to be taking care of her temporarily while you worked at getting your life back in order. I thought one day you would finally decide ily was what you needed to turn your life around. But your time was cut short. This isn't fair to you or to ily! I will forever miss you and one day I will tell ily how much you loved her. I'm so sorry this happened to you. Just know that I have your back. I will not let your memory be forgotten. My promise to you.
Rest in peace ashley
