“ I am a friend of Dylan's please know I am here for him and the family. We were sorry to hear about your loss, please know you are in our thoughts and prayers. "When those we love go away, they never really leave us; they are with us now, wherever we are. Those whom we have cherished, live on forever, for love wraps itself around the heart. Although it's difficult now, someday beyond our tears and all the world's wrongs; beyond the clouds and all that we can see and touch, we shall all understand."

“ There aren't enough words to describe the feeling of losing someone you love and care about, especially when it was so early in life. Ashley was an amazing person, a loving, caring friend, and above all, a giving mother who made those two boys her whole life. Ryan and Dylan, I hope you will always remember how great your mother was and how much she loved you both. The family will be in my thoughts and prayers always, and if any of you ever need anything at all, please don't ever hesitate to ask. You have my deepest sympathy, from the bottom of my heart.

“ Ashley was a wonderful person, Mother, Daughter, Sister, and Aunt. My prayers are with your whole family.. for all of them especialy your precious boys I wish them peace and comfort during this time. God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." A golden heart stopped beating, soft touching hands at rest. God broke our hearts to prove to us, He only takes the best.
