“ I feel like I have known Athol all of m;y life through highschool, Eastern, and throught her Aunt. She will be truly missed. I will miss her wonderful sense of humor, caring for her family and friends and her positive outlook on life. She truly was a wonderful lady and a dear friend. One of my greatest memories will be the night that several of our neighborhood friends went caroling in the 1970's with Athol leading the pack. Her friendship has impacked all of us.

“ Athol so readily and willingly took me under her wing when I joined her DFCS unit making me feel immediately welcomed. Her guidance, wisdom and support were gifts to everyone who knew her. I miss her immensely already, but I will cherish having known her for she truly added pleasure to my life. Her sense of humor and independent spirit will always bring a smile to my face.

“ I am so saddened to hear of Athol's death. She was my best childhood friend. I don't remember a time that I didn't know her, Sally and Mr. & Mrs. Burt. A wonderful family. My best "growing up" memories include her and they are implanted deep in my heart. She was and always will be the most special friend I have ever had.

“ Dear Family, Athol and I were in the same DFCS Section. We worked together on occasion and completed a project just last Friday. I was shocked and saddened to learn of your loss and am still trying to comprehend it . I will remember her sense of humor and intelligence. She possessed an impressive range of knowledge about so many subjects and I enjoyed our conversations that had to do with non-work related topics at lunch and dinner. One thing was always very clear, she valued her family. I will not be able to attend the service and I wanted to tell you that I will miss her and you will be in my prayers.
