“ So many good memories of Sue as she was in same class as my sister Judith. We also lived in country so she would pick us up in her great old car to go to school events. So sad we never saw her again after she moved away. Condolences to her family.

“ Prayers for your family in the loss of Sue. I remember her well as a sidekick of my best friend 's sister, Judith Storey. We tried to keep them aggravated by following them everywhere. Lots of good times with her. May the Lord comfort your family.
