“ Dear Jess, We were truly saddened to hear about your mother. Everyday when I am out front looking for four leaf clovers I think about your Mom and the last day ya'll came over here and her and I were in the front yard looking for four leaf clovers together. She definately had a knack for finding them. I think we found 7 or 8 that day. Know that our thoughts and prayers are with you and your Dad. And I will see you soon.
