“ Dear Mandie, I was sorry to hear about your mother. I know she struggled with her failing health for a long time, but we are never ready to let a loved one go. I am sorry I was unable to attend the services, express my sympathy in person, and give you a hug. But, I hope you know that my thoughts are with you and your family at this time. Let me know if there is anything I can do for you. Selma Coty
