Barbara Ann Greene, age 70, of Newnan died August 17, 2016 at Newnan Health and Rehabilitation from complications related to cancer. Greene and her niece Patti Jo Greene. Barbara attended Newnan High School, but graduated from LaGrange High School following her family's move to that city. Barbara attended LaGrange College where she received her degree. For a time, she was a social worker for Coweta County General Hospital. She later pursued her career as an educator and she taught history and advanced placement history at East Coweta High School and The Heritage School. Barbara's life was full and she got great enjoyment from her love of Georgia and Alabama football. And, oh, she loved music. She was a girl that loved her guitar and was a constant presence in her band of friends at Newnan Music in its heyday. Barbara is survived by her brother Olison O. (and Earlene) Wheeler, sister-in-law Morn A. Wheeler, nephew Buzz Wheeler, niece Allison Latmore, great nephews Grant Latmore, Peyton Latmore, step-niece Sherree (and Muncie) Williams, step-nephew Travis (and Margaret) Storey. Very important in Barbara's life was her fur baby Garth. In keeping with Barbara's love of life, family and friends, a time of sharing memories and playing her favorite music will be held at McKoon Funeral Home at 38 Jackson Street on Monday, August 22, 2016 at 5:00 PM to be led by Reverend Winston Skinner. Her dear

friend Doug Kees will share his music. Friends are invited to visit with the family following the service. Always a very practical person, Barbara would prefer that flowers be omitted and contributions be made to one's favorite charity. Barbara's family would like to express their appreciation to The Benton House and Newnan Health and Rehab for their extraordinary care during her illness. “ So sorry to hear this news and to be so late to hear it. She truly made a impact to my life. She made history so interesting! She is always the 1st teacher I think of when I think about "who is my favorite teacher?" I constantly tell tales of her "Senior Skip Day" tests. And even "if" I did miss/skip some classes, I would never miss/skip hers. R.I.P. Ms Greene.

“ *I loved AP US history with Ms. Greene. I still talk about her class today, I learned so much and she somehow got the information to stick. I hope she knew how important her presence was in so many lives.*

“ *I had Ms. Green for AP US history my junior year and she was so funny to where I enthusiastically signed up for AP European history and American Government my senior year! She challenged us by playing a game we called Low Q instead of High Q and never gave up on us despite our bumbling and fumbling our way through incorrect answers. She tried to come across as scary to where we realized she truly loved us and teaching. RIP Ms. Greene! Because of you I majored in history and now teach it!*

“ A great teacher and a great person. She made AP History so much fun. Ms. Greene was a great example of what teaching was truly about capturing the minds of many through her approach to teaching. She left a lasting impression on many students.

“ I was a student of hers at ECHS. It is because of her that I fell in love with History...she didn't just teach history...she brought it to life. I enjoyed her class so much that over 20 years later I still have all my notes....in the binder...just as they were back then. She impacted many...and though I haven't seen her in years...she will be missed.

“ Im so sorry to hear of her passing. She was not only my teacher for over half of my high school career, but also one of the sponsers of Shakeapeare Society (our drama club in the day). She inspired me to become a teacher.

“ Ms. Greene was one of my favorite teachers at ECHS. She taught me US and World History. She really had a huge impact on my life. So much that I have put the love of history in my life and into my boys lives too. To the event that they love history and want to share it with me. I will never forget you. Praying for the Greene family during this time of sorrow. You are sadly miss!
