“ *Barbara Hawkins family I'm deeply sorry to hear about the passing of your loved one. Losing someone never gets easier. That's why I would like to share the scripture at Revelation chapter 21 verse 4 because it assures us that death will be no more.*

Grandma always made you feel special. She always had a smile on her face and made you feel loved. I always remember being welcomed to stay at her home after a long day of work in Atlanta. She always had a room available. She cooked me a good vegetable meal. I used to call her Barbara growing up as her grandson. I am not sure why she started that but one day she said to me. I wish you guys would call me grandma. So from that day on she was Grandma. And I think she appreciated it. I sure am going to miss you Grandma. Sleep in peace!
