“ We are so sorry to hear of "Miss" Barbara's death. We did not know it until last Sunday. "Miss" Barbara and my mother were in the same Sunday School class. She was such a sweet, kind lady. She was so kind to Mother. When Mother needed a little help with locating the lesson, she was one of the first to assist her. She was special and will be greatly missed. I am sorry we didn't know in time for visitation. Your family is in our prayers.

“ I have just heard that Barbara had died. I am so sorry. She was such a sweet beautiful lady, it was a pleasure being around her. I didn't see her much as we weren't on the same wing anymore, but she could always make me laugh. My life is missing one smile. To her family, she loved you all so much and she talked about you all the time. Her daughter, she could never praise you enough for the sweet things you did for her. Her sons, when you would call or visit, she talked about it for days. When she was able, she loved going to Wally World with her daughter, and the precious things you did. She will be missed especially by me. I loved her like a sister, and I am proud to have known her. God bless you all during this time, and remember the good things. She was one of a kind.
