“ *Brenda, I am so sad to hear of Barry's passing. I can't say I know how you feel, even though I just went through this same thing, 5 months ago, because I don't believe anyone knows how someone else feels at a time like this. I do sympathize with you and hurt with you. Please give my love to Brandon, Lauren, Josh and the grandchildren. I have been trying to call you but only get a voice message. Please, please call me when you have a moment. Love you, Cheryl.*
