“ *Benita always made me feel welcomed and I am honored to have been a small part of her life.. Her love and pride in her daughter was so evident and I know she left a great legacy for her to cherish. PRAYERS for you Joni as this difficult time will pass somewhat easier because your family is near and will be there for you.*

“ *My Sister the one who would never tell a lie if her life depended on it and had the jolliest laugh of anyone. The most honest person I knew that ever lived. She loved her daughter Joni Renee Miller more than any mother could love a child. She will be forever missed.*
