

Benjamin Wesley Patton

March 7, 2008 - March 12, 2021

For a young man who made so much noise, on March 12, 2021 Benjamin Wesley Patton slipped into heaven without a sound to be greeted with much rejoicing by a Savior who loves children and an Uncle who was undoubtedly thrilled to meet him. He had just celebrated his 13th birthday on March 7th.

Ben was born with many challenges, making even the simplest achievements a reason for his family to celebrate. He loved to read books and watch videos, like the Muppets, in his favorite chair. He loved to laugh and he absolutely loved to eat! Ben spent many years at The Joseph Sams School where his teachers enjoyed finding ways to direct his stubborn spirit. He was cherished by his fellow church members at Peachtree City Christian Church, Southwest Christian Church, and in his younger days, First Methodist Church of Newnan. Ben's neighbors would often see him riding his bike with his mom and stepdad. He was always excited to go out to eat with his dad. His older brother was his greatest defender and looks forward to helping people like Ben when he becomes a doctor.

Ben was adored by his mother, Courtney Eidson, his father Logan Patton, his brother, Sam Patton, his half-sister, Elizabeth Patton Lidvall, his stepfather Greg Eidson, his grandparents, Gail and Harry Coker, and Joanne Patton and his great-grandmother Doris Coker as well as many other family and friends. Ben was preceded in death by his uncle Lance Wesley Coker and his

grandfather Edward Logan Patton.

In lieu of flowers the family asks for donations to be sent to The Joseph Sams School in Fayetteville, GA. www.josephsamsschool.org. Condolences may be expressed online to the family at www.mckoon.com.

“ It was my honor to have met Ben on 2 occasions. He was charming and full of life. I could see the love between he and his mother. Words cannot express the sorrow I feel for his family and friends. Know that we are praying for comfort and strength for Courtney and all the family. Thank you for introducing me to this very special young man. Much love, Rita.

“ I remember when I first began working at The Joseph Sams School as a teacher in the Elementary program. Ben was in elementary in the other classroom, so I saw him often. He always made his presence known and made an impression on everyone he came in contact with, including me. He would always lay his head on me at carpool and try to butter me up to let him use my ipad or stop by my room when he saw something playing on my tv. He was quite the charmer and a joy to be around. He will be greatly missed around the halls of JSS! My condolences to his family. Praying for peace for you guys during this difficult time.

“ *Ben, we remember the first time you walked across the finish line at Race for Riley! You worked so hard to learn to walk, then run, and ride your bike. Your friends will miss your laugh. Your family will miss everything about you. Love to all, Lindsey Cowen and family.*
