“ Our prayers go out to you all over your loss of such a sweet and kind wife, mother and grandmother. Mrs Whitley always made us feel right at home when we came to visit in years past. Please take comfort in knowing that she is at home with her maker and all of her loved ones who had passed before her.

“ You are all in my prayers. Mrs. Whitley was a very special sweet loving lady. She will be missed by all of us. She was my grandkids great grandmama, my daughter-in-law's, grandmama, and just like a grandma to my son. When they had family get togethers, they always included me. She was very special to me, especially since my mom passed away. I am really going to miss her too!

If not, know that I love all of you and you are in my prayers. Bernice was named after my Mother - I don't know how I remembered that. You are all very special to me. Love you all. Gaye
