“ Dear Donna! I was reminded of so much of my early life by seeing the obit for your mother. I lost my mother a couple of years ago. It changes your life forever. I so remember going to your home and being around your sweet mom. I still have some recipes from her. I can't say I have used them much but I will NOT discard them. Your mom...so much I could say. I loved her even temperament...so different from my home. I think of you often...the time we spent being friends. Loved the pictures...such memories. Take Care. This is a hard one. Takes a long while to get over.

“ Cheryl Hunt writes from Eugene, Oregon.....Donna, Russ and family, Gary and I were saddened to read about Bertie. We have such fond memories of her kindness and sweet nature. She always had something nice to say and was always so thoughtful. Donna, you were so lucky to have her for so long..... 100 years, amazing.

We hope that you and family are in good health. We send you hugs and love as we remember your Mom.
