“ I didn't know Betsy personally, but felt as if I knew her through my good friend and her cousin, Brenda Brandon Gentry. To know how much Brenda loved her told me a lot about her, and I remember the stories Brenda told about their family. Betsy's name was frequently mentioned in conversations during the years Brenda and her family were our neighbors in Grifton.

Sincere condolences to Betsy's family.

“ We are so sad to hear of Betsy's passing. She and Larry were such dear friends. We treasure the times we spent together as neighbors in Richmond. We will never forget her kindness when she took us and our granddaughter in when we evacuated from Florida during hurricane Irma. She was a very special lady. Our love and condolences to Kelli and family. Mya and Sandy Swe.
