“ *The Smith family & the Young family were neighbors & close friends growing up in East Point. Betty's brother Harris & were the same age & played & fought together throughout our childhood! Betty was always there with a beautiful laugh & smile! Moving to Senoia just 2 yrs ago, I wanted to find Betty & visit her. I am sad I was unable to do this . She will always be remembered as she was such a beautiful person! I knew w she is at peace now with her beloved Dave and many other loved ones in Heaven.*

“ Arnold - Hanson Family, I am sad to hear about Betty, she was a very lovely lady from the day I was old enough to remember meeting her. I recall my years of growing up around all the family and being included with birthdays, holidays and other special times. I will have to mention that I can recall when Penny came into the family and all the spoiling of her by Big Dave and Betty (now tell me I don't have memories:). Let's not forget the cook outs, watermelon and homemade ice cream man those were the days not like that so much anymore these days, to fast paced but at least you had her in your lives to experience those as well and many more good times I am sure. My prayers are with you all during this time.

God Bless You and Your Family during this time. Jay, Jane, Bailey, Cameron Ryley & Avery Moore

“ Aunt Betty, you have always been a classy woman. You brought sunshine to a room whenever you walked in. Maybe that is why you adored Sunflowers. The amazing family you have are proof of your love for them and your hands on of rearing them. I love you so very much and will miss you. Mom says the same, she loves you and we will all see you again. Say hi to Dad for us. ❤️❤️🙏
