“ So many fond memoies of Betty. She did grow some mean vegetables in her garden. She put restaurants to shame with her country style, home cooked, buffet-style meals. Between her and my ex MIL, Aliine Allgood, they taught me how to cook! Not near as good as them but I can hold my own and for that I'm grateful. Betty was always there for me in time of need, whether good or bad. I often considered her to be like a second mom to me. She truly did have a revolving door for family and friends. My childhood raising included the Ayers family and what a great childhood I had, thanks to Betty & Robert and their loving three kids! Her generosity will be her legacy. Thank you Betty for helping mold the best parts of my life, may you rest in peace and mingle once again among family and friends who have passed and gone to heaven. I sure hope more than anything you meet up with my mom and dad, Flip & Debbie Cochran (as well as my ex in-laws) to give them all a big hug from me. Much love and prayers go out to Donna, Bobby, and Ricky...I know all too well what you three are going through right now 🙏🙏

I really enjoyed our time together going to Williamson Music Barn and Hollonville Opry House. I enjoyed the eating out together and then the singings. Betty will truly be missed by many. Know that you all are in my prayers during this very sad time.
