“ It was such an honor to get to know Ms. Betty, she was such a caring lady with a great sense of humor. She was always so considerate of her friends here at Watercrest. I walked with her one day as she was taking one of her sweaters to her friend that was chilly. She was so kind and compassionate. I know she is singing with the angels now. We will miss her.

“ *My sweetest memories of Aunt Betty were when we all got together as a family at Thanksgiving. Family was so important to her. I loved watching her & Mama Harris having fun in the kitchen at Grandmother & Granddaddy’s house. I’m so happy that I will get to see her again some day. She loved Jesus & she knew he loved her. What a great family reunion that will be! - Dale*
