

Betty Jean Doler

April 27, 1935 - December 13, 2025

Betty Doler passed away peacefully on December 13, 2025. She was born on April 27, 1935, to parents Earnest and Lillie Vick.

She is survived by her daughter, Patricia Kee; her son, Paul Doler; her grandchildren, Leslie Prater and Gabriel Doler; and her great-grandson, Morgan Prater.

Betty married Richard "Theo" Doler at the age of 18. They had three children, one girl, Patricia, and two boys, Paul and Thomas. She became a widow at 25 and raised us in a Godly manner, seeing to all our needs. We became members at East Newnan Baptist Church, and she even taught Sunday School there. As the boys got older, they played in Little League because she loved sports and they did too.

Our yard in the neighborhood became a hot spot for ball games. I remember it well. You could actually hear my mom yelling outside, "Let's go, Braves!" She worked at Newnan Hospital's cafeteria for over 20 years, serving hot food to the sick. I call that a life well served, helping those in need. As she got older and became a grandmother, we took her on vacation with us. She loved those grandchildren very much. We noticed that as her health declined, she spent most days calling friends, talking on the phone, watching television, listening to David Jeremiah, reading the Bible, and having her family conversations in person and on the phone, never losing her faith, praying until the very end of her life, slipping away quietly and peacefully into our Lord's hands, just the way she wanted. Thank you, Jesus, for our mom.

A private family service has already been held.

Condolences may be expressed to the family online at www.mckoon.com.

“ Ms. Betty taught me how to keep a scorebook many, many years ago which opened the door to a long, long career at Newnan Pony Baseball. She was a very kind and friendly lady and I have enjoyed knowing her over these last 40 years. Prayers for peace and comfort during this difficult time and many blessings for her family and friends. God Bless!

“ Dear Pat, I will always remember your mother driving a car full of kids from the neighborhood to school at Central...it was short drive, but we managed to pack a lot in to those short rides. I can remember the music we listened to, conversations, and her patience with all of us. I have thought about those rides many times over the years. I was able to thank her years later when we both worked at Newnan Hospital and was so glad our paths crossed again. I send my heartfelt sympathy to you and your family as I know you have lost someone very special.
