“ One of a kind - she was "Miss Betty" to most of us at Delta. She was a supervisor for many years and we all appreciated her outstanding work ethic and fairness as she dealt with employees who worked for her. My condolences and may God comfort the family.

“ I appreciated Betty Ann's determination over the years to stay in contact with family. She would phone occasionally and it was always like a trip down memory lane. Looking forward to a glad reunion day... Larger than our Marlow reunions!

“ Will and family, Our hearts go out to you. Betty was so proud of you and you were a wonderful son to her through out her life. Have great memories of Betty and George sitting in front of her store laughing and giving each other a hard time in total respect of each. We will miss her and her great jelly preserves she handmade each year. May God Bless you and keep you during this difficult time.

“ *Charlotte - I was so sorry to hear about the loss of your sister. I know how heartbreaking that can be, as I lost my sister in 1991 on her 48th birthday due to cancer. Still have a feeling of emptiness in my heart for her. My thoughts and prayers go out to you and all of your family. May God comfort you during this sad time and help you to find peace in knowing that she is not suffering.*
Love to you,

“ Betty Ann was a good friend to me and my family through the years. She helped me out when I needed it, and I tried to return the favor any time I could. One of the true original families from Roscoe, it won't be the same without her. I went by to see her just last week. I'm thankful I got to say good bye to my friend. Rest In Peace Ms. Betty. I love you.

“ Betty Ann was one of my favorite people...i worked for her at Roscoe Store in the 80s...and also saw her at grocery store every Wednesday until she got sick. Lord at the laughter we shared. RIP Betty Ann. I love you bunches

Make no Mistake.

This is Spiritual Warfare.

All of It.

“ Betty was a great friend of mine and many times I stopped by her house just to talk and share information about our children and as time passed, our grandchildren, I met her when she worked for Delta and had purchased the store in Roscoe. She was such a good person and I will forever carry her in my heart, She was proud of her family, she loved Will with all her heart and would do anything for her family. I will miss going by and just sitting at her table and shooting the breeze, I appreciate being notified by Will, of her passing, and I pray for him and his children as this has to be a tough time. Knowing her was a joy as she was full of character and she will be missed by many,
