“ Gary...I worked with Betty at Poplar Rd all those yrs ago and she was absolutely wonderful with the spec. ed children...a natural gift she had for them! I'm sorry this message is so late in getting to you as I don't get the paper. I'm hoping God is giving you comfort during this most sad time in yours and your children's lives. Betty is a star in Heaven!

“ Gary and Family, Upon returning home from a trip I am so saddened to hear about Betty. She was one that always had children in her heart and wanted only the best for all that she came in contact with. I met her many years ago when she began working for the system and then again after she became an assistant. She was so proud. Education, children, and family were truly her love. She will be greatly missed by those that she may not have even known she touched in such a positive way. May God be with you all and keep you safe and secure during this very difficult time.

“ Betty was definitely a 'good soul' who touched my life as well as so many others. I worked with Betty at Interactiv and was enriched by becoming friends with her. She always made coming to work so much better. Betty was a caring person who I loved talking too. She loved each and every child that came into the clinic and had a very special way with them. The kids gave her so much love and she loved them right back. Betty will be sorely missed. She was a giving and selfless person who cared greatly about others in need. I know that Betty was 'washed in the blood' , as she would say and I know that she is safely at peace in the arms of her Savior. Always remember that she loved her children and talked of you often.

“ I first met Betty doing her work at CASA, then later at her job at Interactive where she always took time to speak to my grandchildren with pure joy and pleasure in seeing them every week. She was a joy to be around, and I will miss her friendship in my life. To her family, she spoke of you often, she loved each one of you dearly and loved her little Lexibug to pieces. I pray she is finally at peace and pain free, keeping watch over her loved ones as she did on this earth. Rest in Peace, my friend, I miss you already.

“ I was heartsick when I heard about the death of Betty. She was a dedicated CASA volunteer for Coweta CASA for many years. She truly believed that all children should be loved and well taken care of and she stood by her beliefs even if things got tough. She will be missed by us here at Coweta CASA. Blessings to your entire family. She spoke about you all often and always with such love.

“ Words will not take the pain & hurt away however just know that GOD is calling HIS Angels home & on Monday, Betty answered his call.... She has touched so many lives here on earth with her words, her testimony of how much she loved GOD & all of her Blessings...she loved her family so much & especially her grandbaby. (we would share stories on FB about our grandbabies & our careers) My husband (Billy) & Betty were friends growing up & she actually found me on FB & we became dear friends on there.. I know that I will see her again one sweet day - until then the days ahead will be hard ... just carry her memory with you all... She will be dearly missed..... but her journey is now just beginningBetty, you left behind so many kind stories that I my dear one will carry with me till the end. Miss you dearly my dear friend.... Much Love & God Bless.... Billy & Marsha Mullennix / Living By Faith Church

“ God has made another house call. Please know you all are in our thoughts and prayers. May God give peace and comfort to strengthen you and be with you to see you through every day to come. Betty did some volunteer work for us at the Coweta Juvenile Court as a CASA and was dedicated to her convictions and making sure the needs of children were met. Her personal testimony to me was, she was a born again Christian and Heaven would be her home when this time came. Find comfort in knowing the Lord has carried her home. From all of us at the Coweta Juvenile Court and Living By Faith Church Family you will remain in our prayers. Be blessed. Romans 8 v 28.
