“ Found this page looking for someone else. Betty seems great. I believe in reincarnation, I hope you find her in your dreams soon! When I'm on this page it feels like she likes pink roses more than the dark red ones, but maybe thats just me 🤔

“ Dear friends and family of our precious B. J. I am so very sad to hear of her passing from earth to Heaven. Although she is much happier now, we will all miss her dearly. She was one of the sweetest and kindest people that I have ever know. All it would take is one small kindness directed toward her and she would send you a card of thanks. We should all take a lesson from B. J. and reach out more to our friends. I love you B. J. and I will see you in Heaven.
