“ Sally, Kate, and family, I am at a loss for words. In the short weeks that I came to know your mother, I realized she was a very special woman. I knew that she was loved by everyone. I know you will miss her terribly, but I know she will still be watching over all of you. Thank you for the opportunity for me to take care of her. I will always remember her. Love to you all, Suzanne

“*Kate and Family, We are so sorry to hear of your Momma death. We didn't know she was sick until Clay went to Dr. Moraitis and told us you were not there because you were with with her. I saw it in the paper yesterday and called Clay and told him. I wish we could be there with you, but are still sorta tied up with Mildred. Just know that you and your family are in our thoughts and prayers. May the good Lord give you love, peace, strength and understanding at this difficult time. God knows we miss and love them so much. God loves you and we do too, Don and Mildred*

“ I am writing to express mine, and my husband, Bob Newsome's, and my parent's (Marjorie and Marvin Williams', of Moreland) sympathy and caring. We know Miss Betty Joe will be greatly missed by her sweet famiy, and by the Moreland community; but we are glad that she won't suffer any more. As my mother said to me on the phone, "she's in a better place now".

“ I just now read about Ms. Betty Joe's passing. I'm so sorry to learn of this. Recently, I had heard through my aunt, Pauline Taylor, that Ms. Betty Joe was in real bad shape. I really enjoy attending Cub Scout meetings at her house when I was a little boy. We boys always had a good time and we especially enjoyed the cub cakes she served. She was such a loving lady who will be deeply missed. May the good Lord be you three children and the rest of the family during this time of sorrow.
