“ *Billie Jean was like a mother to me and almost every weekend i would get to see her because her son, Connor Dotson was my best friend and still is my most valuable friend I have. About 1 year before her death was the time me and connor got to see each other and bond the most because sometimes he had to take his mind off of things for a bit. Me and him played soccer together mostly and around Christmas time of 2017, I went over to Connor's house and saw Billie Jean for the last time without knowing it. It was heartbreaking to think about that. All I can say is that I love you Billie Jean, we all do, and we can't wait to see you up in heaven where there is no pain.*

Her art work that she painted for me will be forever cherished! She was so nice and creative and it was a pleasure to talk with her. My heart goes out to you and Connor and her family!! Prayers lifted up. Heaven gained a Beautiful Angel!! No more suffering!!!*
