“ Nancy, I just now read Myron's obituary and am so sorry. I don't remember if I ever met him since I left there in 1971 to pursue an Air Force career. However, I remember you and your children when I was growing up in Moreland. I guess the last time I saw you is when I had parked my big truck just behind the fire station and we had a nice conversation. May God bless each and every one of y'all during this time of sorrow.
