“ Charlotte and Children: It was my privilege to work with Bill for over 30 years. First at the hospital, I could always call on your dad to interupt for me for patients. He encouraged me to learn sign language which I did. Then as a social worker for DFCS working sexu al abuse cases, so many times he was there to help me speak to family members and make it better for a child. He led a wonderful life, with the love of Charlotte and always talking about his children and grandchildren. No one could ask for more from a good life, than to have walked with God in everything he did. I feel blessed to have known him and the richness he brought to my persoanl life, and professionally. “ We were very surprised to see that Bill has passed. Ya'll should be very proud of the life Bill lived and the positive influence he had on everybody he met. We miss the times we had back in Moreland and Bill was one of those bright spots. We will pray for rested assurance that Bill is in the arms of Jesus and that his absence will be filled with the love of close friends and family. May God bless the whole Myatt family and comfort you in the days that come. Thanks for your friendship! In Christian love, Joe, Sue, Amanda, Ashley, and Allison Butcher.
