“ Julianna, I was shocked to hear about Blake, and my heart aches for you. My first husband died in a car accident when he was a little younger than Blake, and the grief almost broke me. Now I am a mother of three sons, and I can't even think about the grief you are experiencing. Please know that you are in my thoughts and prayers, and may God give you the strength to get through this unimaginable time. Barbara

“ I only meet Blake a couple of times when he was with his Uncle Joel Willis but from all the stories Joel has shared over time I know that Blake had to have been a very special young man. The family has my deepest sympathy at this time of great sadness and my prayers are with you.
