

## Bobby Lee Dalton Proctor

April 27, 1935 - January 22, 2021

Bobby Lee Dalton Proctor of Sharpsburg, Georgia, passed away at his home on Thursday, January 21, 2021. He was 85. Bobby was born in Sargent, Georgia on April 27, 1935 to the late Noah Henry Proctor and Omia Lee Baxter Proctor.

Bobby enlisted in the Air Force in 1953 at age 18 and served during the Korean War. Bobby was stationed in England where he refueled planes. He was a Chauffeur and received numerous awards for safe driving. He was Honorably Discharged in October of 1957. After coming home, he got a job at Coweta Dairies and then Dependable Vending where he worked until he retired. On his days off he loved to fish for catfish which he would also clean and loved to eat.

Bobby also loved to raise hogs and goats. He and his "Yankee" friend Tom, who helped him, enjoyed making pig condos and carpeting the floors so they could walk better. He made sausage for the family when the pigs got big enough. He was known around the county for his BBQ's. He participated in BBQ competitions and always made BBQ and stew for the Family Reunions. Bobby loved his family and extended family. He enjoyed it when the little ones came to visit and would always give them Little Debbie Cakes. He loved his children, grandchildren, great grand children and he loved his wife. They had been married 62 years when she passed away in August.

Bobby and Sara met at a country store in Sargent where she worked. She asked the man who delivered the chips to tell the "boy" outside to come and

help him. The “boy” didn’t work for the chip man though, but love blossomed from there anyway.

Bobby was preceded in death by his wife, Sara, whom he just couldn’t live without, and leaves behind sons’, Wayne (Terri) Proctor of Sharpsburg, Allen Proctor of Chattahoochee Hills, and Bubba (Renee) Proctor of Sharpsburg, and a daughter, Missy (Ronny) North of Sharpsburg. Grandchildren, Travis & Meghan Proctor, Amanda Proctor, John Allen Proctor, Daniel Carroll, Jaynie Proctor, Sadie (Kyle) Kelly, Great Grandchildren and numerous nieces and nephews.

“ I remember when I was 9 years old and Bobby came home from the AirForce, I was sleeping in his bed and my mother woke me up and told me to get up so Bobby could go to bed, Bobby told her to let me sleep. A couple days later everyone was visiting Bobby Uncle Oscar, Jimmy, Kenny and I were in the front room watching the Last of the Mochians on TV, Every one else was on the front porch talking, I was eating cantalop half sitting an laying on the chair got up and went into the kitchen, Sis came into the kitchen and saw me leaning against the door facing having trouble breathing, she started yelling Oscar, Jimmy, & Kenny were holding me while Bobby rammed his fingers down my throat causing me to throw up. So I would not have been here now if not for them.
