“ *Bobby was my reference on my application for a job at Delta Air Lines. He played a big part for me getting hired. I just wanted to say thank you Sir. I've been working there for 30 years now! My life changed the day I got hired and Bobby was wheel that got it rolling. I worked with Bobby for a number of years before he retired. He was wonderful to work with. Bobby loved his job. He was always smiling, always in a good mood and conducted himself as a true gentleman. My prayers goes out to the entire Runyan family... Mark Pollard - McDonough, Ga.*
