“ We were sorry to hear of the passing of Bobby. We were acquainted through the Moreland community, neighbors and White Oak Presbyterian Church. His daddy - Mr. J.W. we called him was our bus driver for many years growing up. I think of the Thompson's each time I drive down Thompson Road. We are praying for God's blessings on the family at this time.

“ My prayers and condolences are with Alma Jane and & Billy and the rest of the family who I never had the pleasure of meeting and getting to know. For those who don't know me, Bobby & I worked together for a number of years at Bonnell. One thing I was never certain about was whether Bobby & Elwood both would need to call American Pickers or was it just Elwood? May the good Lord bless and keep you in the days ahead.

“ Heartbroken for Alma Jane, Kathy, Kirk and Elwood. Bobby Thompson was without a doubt the happiest, friendliest, most loving person I have ever had the pleasure to know. He found the good in all things and had an intimate relationship with our Lord and Savior Jesus Christ. This man will truly be missed by all who knew him...but he is walking the streets of gold with that smile on his face we all loved. Until we meet again Bobby....thank you Thompson family for sharing this treasured man with us all.

“ I am so sorry to hear that Mr. Bobby has left us, but I have NO doubt that he is resting and visiting with family and friends in Heaven. He was one of the sweetest people and the best boss I ever worked for. I still smile about some of the funny stories he told me. Since he knew all of George's Mama's (Sara Ruth Young Coggin) folks he made me feel like I had known him forever. He loved all of you as only a Daddy can. May God give you the strength you need as you go forward.

My thoughts and prayers are with you and family.
Your father was a very good man. Betty spoke of him as the most caring and

“ Elwood and family,

I was sadden to hear of Bobby's death. I've been thinking back to all of the
wonderful days at Bonnell and especially when we went up Kentland to "strike
bust". He worked as hard as any of us and he must have been around 60 at the
time. Wonderful memories of a great man. Know that you and the family are in my
prayers.

“ From the time I met this wonderful, kind and sweet man along with his family; he was forever in my heart. He was the prime example of kindness and love. He loved my family & I as his own and I will forever be grateful for all the love he gave us. Summer speaks of Pop teaching her to drive the golf cart, how to feed the donkeys and the horse. Gosh, all the gourds he had and grew and I still have my little snowman gourd he made. We will miss you and always love you and I will always carry you in my heart Pop. Such sweet memories that will live forever. God gained a new angel and I will see you again soon. Go rest high on that mountain. Thank you for being you. Praying for peace and comfort for Thompson family. Oceans of love always.
