

Bobby Wayne Welch

November 27, 1937 - July 24, 2021

Bobby Wayne Welch, 83, passed away in Newnan, Georgia on July 24, 2021. He was born November 27, 1937, the son of John Albert and Eula Pearl Penton Welch of Autauga County, Alabama. He graduated from Coosa County High School in Rockford, Alabama in 1956 and graduated from Jacksonville State College (now University) with a B.S. in Education and from Auburn University with a Master's degree. He graduated from Georgia State University with a Six Year degree in Educational Leadership.

He and his wife Geraldine Smith Welch of Alexander City, Alabama, moved to Newnan in 1962 and he began teaching 6th grade at Elm Street School. In 1964 he moved to teach at the old Newnan Junior High School.

He quickly moved through the ranks, becoming the principal of Arnco-Sargent Elementary School, Western School and then Elm Street Elementary School. In the early 1970s, he took the position of personnel director for Coweta County School System. He served as Assistant Superintendent, Associate Superintendent and then served as Superintendent for six years, retiring in 1994.

After his first retirement he worked for the Georgia Youth Science and Technology Consortium to establish science centers in school systems across Georgia. He also served as the interim executive director of the Newnan-Coweta Chamber of Commerce after his second retirement since he was always a community servant at heart.

In 1998 Mr. Welch became the Executive Director of the Rutledge Center in

Newnan on Hospital Road. He served for 20 years, retiring in 2018 at age 80. He served on various local boards and held many positions of leadership in community groups over the years. He was a member and officer of the Newnan Civitan Club, the Optimist Club and the White Oak Golden K Kiwanis Club and First United Methodist Church of Newnan. He was the president and board member NCARC/Rutledge and president of the Newnan-Coweta County Chamber of Commerce. He was chosen Outstanding Young Man of the Year by the Newnan Jaycees in 1972 and Coweta County Citizen of the Year by the Newnan-Coweta County Chamber of Commerce in 2007. He volunteered at his granddaughters' schools by making his famous homemade biscuits for students even as the granddaughters entered high school. He was so very pleased to be honored in 2006 with the opening of Bobby Welch Elementary School where he volunteered for many years.

One of the things he was the proudest of was the work that he did with the desegregation of the Coweta County Schools in the early 1970s. He directed the process and worked tirelessly to accomplish a smooth transition for the students, teachers and entire community for two years.

In his "spare time" he loved to travel and take his children and later his grandchildren on trips. He and his wife traveled to all forty-eight contiguous states, four continents and most of the European countries often multiple times and with various grandchildren.

Mr. Welch is preceded in death by his son, Jonathan R. Welch, sister Patricia Wingard, brother-in-law Olin Wingard, brother Carl Welch and sister-in-law Dixie Welch.

Surviving are his wife, Geraldine Smith Welch of Newnan, daughter Jennifer Welch Egas (Oswaldo) of Orange Beach, Alabama, granddaughters, Hannah Polasek (Adam) of Dahlonga, Katherine Schneider (Chris) of Anderson, South Carolina, Caroline Harkleroad of Newport Beach, California, Amelia Harkleroad of Atlanta, grandson Andrew Welch of Atlanta, two step-grandsons, David Egas of Atlanta and Sam Egas of Athens, Georgia. He is survived by two great-grandchildren, William Blaine Schneider and Lainey

Grace Polasek. In addition, he is survived by his older brother, Charles K. Welch (Judy) of Prattville, Alabama, brother-in-law, Robert O. Smith of Alexander City, Alabama, and many nieces, nephews and cousins who will miss him greatly.

The memorial service is 11 a.m. Monday, July 26, 2021, at The Donald W. Nixon Centre for the Performing and Visual Arts, 1523 Lower Fayetteville Rd, Newnan, GA 30265 with Dr. Joel Richardson. The family will greet friends following the memorial service. The family expresses their gratitude for the care provided by Sacred Journey Hospice and Brookdale Senior Living. The care these organizations provided over the eighteen month illness from pancreatic cancer was exceptional. We will be forever grateful.

“ Our deepest condolences to Geraldine and family. Mr. Welch was instrumental in helping my mother correct clerical errors with the State of Georgia teachers retirement, after my father's death. She was always grateful for his help to ensure my father's wishes were carried out. I always remember Mr. Welch taking the time to ask how you were and how was your family doing. He genuinely cared about people and their well being and will be missed.

“ What a wonderful journey this has been! I believe I was a member of the first sixth grade with Mr. Welch at Elm Street and the first eighth grade at the junior high. That group was quite a challenge: Cathy, Carol, Cyanne, Merry, Frank, and a wide array of talkative students! He was a wonderful teacher from the very beginning. Then, we had Mrs. Welch in the ninth grade for a firm foundation in English and an example of grace under pressure. Lots of changes that year and a baby on the way, but you showed us how to be a lady in a professional role. What a blessing your family was to the class of '69 and to me personally. May God's peace and love be with you and your family.

“ *The first time I met Mr. Welch was when I was in 8th grade. I had won the geography bee at Evans Middle School, then the county level, then got to go to Atlanta for the state competition. My mom couldn't drive and my dad worked nights, so my parents were never involved in any extra-curricular activities I chose on my own to do. Mrs. Welch, the librarian, had coordinated for her husband to take me to the state competition on a Saturday morning. When I met him I was struck by the similarity he had to my own dad. The leather loafers, the slacks, the plaid short-sleeve shirt, the breast-pocket with reading glasses and pen and paper, the hairline. It was probably just a common look at that time for men born in the 1930s, but as a kid it was like meeting Bizarro Superman. But unlike my dad, he was very friendly and supportive and encouraging. I realized he was the Superman and I'm the one who lived in a Bizarro world.*

Years later as an adult I heard they had opened a Bobby Welch Elementary School and that's when I learned he was a former Superintendent and the school was named after him. I had no idea a man of such local prominence would be willing to take the time from his busy life to take a poor kid to Atlanta for a competition on a weekend. Just feeling one day of his encouragement gave me a little insight into the great impact he must've had on his family, friends, and community.

So sorry for your loss, Mrs. Welch.

Sending love from Alaska.

“ *Mr. Welch was a Newnan and Coweta County fixture. I always seemed to miss him as a principal, but I knew him from so many organizational functions over the years. He was truly a wonderful man. The last time I saw him was a few years ago at the "singing" on a week night in Sargent. I was amazed to see him there...then get on the stage and sing! Quite well, I might add! Just another accomplishment to add to his mammoth repertoire. Autauga County, Alabama's loss was DEFINITELY Coweta's lifelong gain. You will be missed by so many, Mr. Bobby.*

“ I began substitute teaching in Coweta County in 1989 and have been in schools where Mr. Welch was my supervisor. I have a teaching degree but it expired and I really enjoyed the variety of subbing in every school in Coweta until 2015 when arthritis prevented me from working. I am so proud to have worked under Mr. Welch's supervision and want to extend my deepest condolences to Mrs. Geraldine and all of their loved ones. I'm both shocked and saddened to see this notice today. My son is a Northgate graduate and a successful business man and I think Mr. Bobby played a role in his education by being a pioneer in Coweta county and laying the groundwork for all future educators. God bless all of you as you navigate this loss and please know that he's looking down from above watching over all of you.

His love for mankind was indeed his highest asset and he led with every ounce of professionalism no matter the task. Rest in peace dear Mr. Bobby for your job here on this earth is now done. You will be missed Mr. Bobby but you have left us with memories that will last a life time. So sorry to hear about Mr. Welch's passing. He taught me in junior high school. Most recently I have had the good fortune to play country music with him at Durrough's Country Music Barn. Who would have thunk that Mr. Welch was a really good country singer? He loved it so much! He was such a joy to be around and fought his battle to the bitter end. He will be missed by all that knew him. I feel privileged to have had the opportunity to enjoy his friendship and smiling face over the past year. God rest his weary soul. He was a great and caring man with so many accomplishments in his life ! We should all aspire to be like him.

Tim Oliver - July 25, 2021 at 03:44 PM

Geraldine, all of the comments I've seen about Bobby here have been sincere and heart-felt. I have a comment that shows the humorous side of Bobby. I won't go into details, but you probably will remember: While Bobby was Superintendent I ran across the new NHS yearbook. My eyes popped when I saw the name of the book. I called Bobby and said I'd share the secret if he'd give me a copy of the yearbook. He did and I did. We had a private guffaw over it and there was never a public outcry.... One more thing: I covered a lot of politicians when I worked at the Times-Herald. Not all of them were honest. Bobby ALWAYS was, regardless of his position. I'm proud to call him a friend and I'm glad you had each other and your children, and grandchildren, and ... on it goes.
