“ *Arlene and family, Please accept my heartfelt condolence. If it is any comfort to you; I just know Brad is walking streets of gold. Walks, that he has not been able to take for a very long time. Although we are grieving now, this grief will turn to fond memories. John especially will miss Brad so much. He really enjoyed visiting quietly with him. It gave me great pleasure to call and say , "hey Brad I'm cooking, want John to bring you a plate over?" My prayers are with you as you do what you must do at this time and in the weeks that follow as you deal with your grief. In love and sympathy, Elaine*
