“ *Brenda, Terry, Jo Anna and Gina were my neighbors for many years when I was growing up. She was such a sweet person. She blessed our whole neighborhood with Gina. Jo Anna was such a sweet girl too. Brenda contacted me when I lost Whitney. That really meant the world to me! She will definitely be missed!*

“ My heart is broken over the loss of a beautiful friend. I am just at a loss for words to express my condolences. Brenda and I went to school together, shared classes together, but we really never had a very close relationship until we started having class reunions and meals at Sprayberry's. Cracker Barrel, and the Georgia Power Park. We then developed a friendship that I will always cherish the memory of. She was always such a sweet, loving, and caring person. She never looked her age, and I always loved to compliment her on those beautiful, tanned legs. I know that she has already had a joyful reunion with Terry and Gina and the rest of her family. My thoughts and prayers go out to all of her family. May God wrap his loving arms around you and comfort you, and help you to find peace, as only He can. Love to all of you.
