“ I just learned today that Brenda passed away. My thoughts and prayers to JOHN and her husband and many friends. I have many fond childhood memories of my cousin when she visited my Aunt Alma in Washington.

“ Bill...I did not know Brenda (unfortunately), but I know you and feel your pain. I also know while your life will be different, it is do-able with the help of God and your friends. We've been there. May God sustain you during this time. LU Ellie

“ Brenda, our true southern belle will be missed so much. Her smile when she greeted you was sunshine. Her hugs were warm and inviting and she always made you feel like you were the most important person in the room. God has a wonderful addition to heaven today and this world is better for having her in it for a time. We love you Bill and will be by your side.
