“ Brent was a quiet fella, kinda hard to get to know. We were classmates at NHS and teammates on the football team. That's where I got to know him is the football program. He hung tough, but me, I gave it up after a left knee injury and surgery. I lost touch with him after high school and I moved to Duncanville Al. to be closer to my favorite team. Roll Tide. !!
Anyway, I hate that he past. I pray for his wife and son that they have peace through the process of losing him. He was OK once I got to know him . He'll make God a good Angel on the gates of Heaven. May you all have God's peace and serenity throughout.
Amen
