“ Brian the last I saw you was last summer and we were at Hemmricks buddy. You watched my running car cause I had my dogs with me so I could run in and leave them in the ac. You were just a all around good guy and will be missed. I know that my bird Macy used to love to see you she y'all came by. It was funny how fascinated you were with her and she was equally amazed by you! Every time I'd see you you always asked about Macy! I'm so very sorry about the news when I found out. Tonya and Halley and the rest I'm terrible sorry for your loss. Brian always had a smile on his face and greeted me usually at Hemricks. Let me know if there's anything that I can do. I'm sending prayers and hugs for the family  
❤️
