“ Another cousin passed who I never got to know. I remember meeting you once, several years ago - you graciously shared lovely memories of my mother with me (I never knew her). I have always appreciated that kindness. Rest in peace Ronnie (and if you run into Margaret up there, say hello for me) God Bless

“ Well, Ronnie - I'm sad. You took the brunt of Buford-The-Bully's always drunk temper, and the mental, physical & verbal abuse, sparing mom (some of it) me & setting you on a terrible life course; I remember the pic of you as a 6 yr old & wished I had it - you still had some hope in your eyes then. You and I have been promised another chance - John 11:11 - he will awaken you in the last days; John 11:23, "Jesus said to her, 'your brother will rise'". I look forward to it Ronnie . . . until then, rest in peace and await the resurrection. Your Brother John (Johnny)
