“ We would like to send our sympathy and prayers to the family. My husband worked with Mr. Byron at Hammond for a little while, he was always polite, considerate and lovable when we were around one another. He always took the time to say hello and tease my children, which they really enjoyed. We are so sorry for your loss and want you to know that you are in our thoughts.

“ Wormy was our very best friend and touched our lives in many ways. No matter what the circumstances were he was always there to help and give a helping hand to those who needed him. He had a heart of gold but tried real hard to be hard about it, but if you looked real close you could see it shine. I will miss his contrary attitude and look forward to seeing him again soon. Save me a place at the supper table and I will bring the silver ware when I join you there. For those he left behind, don't forget about us and let us know how you are doing from time to time. Friends are hard to come by so remember those who love you. Barb and Milton
