“ *I love my cousin, Cameron :)  
A sweet and kind soul with whom I have only fun and wonderful memories.*

*Thank you for your place in my life . . . and for saving my life, literally.*

*My heart is so sad you are not here with us anymore, but my soul rejoices that we will meet again in heaven. I know the Lord is surrounding you with His great love today, tomorrow, and for eternity.*

*Because Cousin Cameron and our Burke family lived overseas when we were growing up, we kids only saw each other a few times. But always, after a few minutes of strangeness, we reconnected as friends, and had a blast together. I am thankful to know Cam is safe with our Lord. I am comforted by the promise I will see him again; whole and happy. But in this world, I am already feeling his absence. Thank you, Cam, for helping me know what its like, to have a great "Brother." We love and miss you.*
