“ I'm so very sorry to hear about the loss of my friend and classmate, Carl. I think we first met in 5th grade at Central School then were at Russell and Headland together, both in the first graduating class at Headland. Carl was always so kind and friendly, and even though it's been years since I last saw him, I will miss him and his warm smile. He's now resting in God's care. Sending love and prayers to Kathy and all the family. 🙏
