“ *Carl was someone my mother would have called a real gentleman. He was also a pilot's pilot. Never in a hurry but always on time without seeming to hurry. By observing him in the cockpit I learned how to be a captain. I'm proud to have not just worked with him and fished with him a few times. See you on the other side.*

“ Eddy,
I'm so sorry to hear about the passing of Carl! We shared some great memories! Winning our flight at the Delta tennis tournaments and flying together. When you started flying at Delta you were always looking for the Captains you wanted to emulate and Carl was one of those guys! Not only was he an excellent pilot but he was the consummate gentleman at the same time! Everyone loved him, passengers, crew, gate agents, maintenance, ALL!!
So yes, he was a mentor to me! He will be missed greatly

“ Eddy, our hearts and prayers will stay with you! When you and Carl moved in next door, our house became a home with loving family next door! No matter what challenges faced us, you were both there - midnight runs to the animal hospital, trying out one of my crazy new recipes, impromptu cul de sac celebrations, and happy hours on the back porch! Carl could bring out a smile just with his eyes! Those eyes that were always fixed on yours! We will miss Carl and love both of you forever. Russ and Pat Roberts

My dearest Eddy, It is with a sad heart that I just learned of Carl's passing. I'm certain we all will remember his big smile and some silly joke he told. What a genuine & sincere person he was, rare qualities in this day & age. I was so blessed decades ago when I met you & Carl at NFUMC and Dirk & Carla in the youth group. Please know that I'm keeping you all surrounded in prayers and warm thoughts during this time of loss. I hope to visit you as soon as our worldly situation is resolved. Hugs and much love to you, Linda B.
