“ *Carly, Terri, Toni and Jake,
I'm deeply sorry for your tremendous loss. I have such fun memories of him and you guys. I remember one New Years Eve I spent the night and at midnight he helped me shoot a shotgun. I always had the best time with you guys and always felt welcomed and loved. I love y'all. Prayers for your family.*

“ Our deepest condolences to Terri, Carly, Toni & Jake. Carl was a dear friend of ours who loved his family and many friends. He was family to us. Carl loved to play jokes on people, too. I remember the time Carl came home from working at the O-I plant and thought someone had broken into his house. He called the police and together they found the "masked bandit" on the counter in the kitchen behind his toaster oven. It was a RACOON!! It had somehow come down his chimney and ate all Carl's Oreo's! Another funny story is the time Carl & Jake headed out for a horse ride. Carl had gotten turned around and they were lost. He finally found Speegleville Road and by that time had run out of cigarettes. They headed up to the convenience store at Highway 6 and the Manager "fronted" Carl a beer & a pack of cigarettes. It's a good thing Carl was a regular customer there! May you go with God and rest in HIS loving arms.

Love,
