“ Aunt Carmen, the moment you left me and the family my heart has been split in two, one side is filled with beautiful memories; The other side has passed away with you but now your with GOD in Heaven and Mom, Aunt Sarah and everyone that loves you.

I awake at night when the world is fast asleep; and take a walk with you down memory lane. From you helping me climb up into your peach tree outside in your back yard or yelling for me and Craig to get off the barn roof and fishing with me in Alabama at the cabin. As I think tears fall down my checks. This is heartbreaking!

Remembering you is easy but missing you is a heartache that will never go away, I hold you tightly within my heart and there you will remain.

During your last days I made you smile and giggle last week on Thursday but you saying back at me, I LOVE YOU Cindy is priceless and I'll cherish your words for the rest of my life. I love you R.I.P. Aunt Carmen ~ I'll see you again in Heaven. Cindy Steedle & family
