“ Dear Brian & Dana: I am just hearing about your mother. I am deeply saddened that I did not know in time to be present for visitation. She and I talked at great length last summer and we really enjoyed reminiscing about the past. She and I shared a lot during the time we worked together 15 years at the office. She directed me to the FB pages to see you and the grandchildren. I know God is with you always. Love you very much.

“ I am a former co worker of Carolyns. She was a very loving and friendly person. She stepped in as teacher for work and as a person who I could count on to give good advice when needed. Carolyn will forever be missed.

“ Dick, Brian, Dana and grandchildren: I am so thankful I had the opportunity to know your mother and grandmother. Not only was she a great coworker, but also an even better friend. I can say that she truly made a positive difference in the lives she touched. Carolyn had such a great heart and a great spirit, and I'll cherish the time I was able to spend with her. I am sending you my sincere condolences, and will continue to send up prayers for your family. Carolyn will be missed immensely.

“ My condolences to the family. May the God of all comfort be with you. May you find peace and comfort in God's promise found in Revelation 21:3,4. "God will wipe out every tear from our eyes, and death will be no more neither will mourning nor outcry nor pain be any more. The former things have passed away."

“ I am one of Carolyn's former allergy patients (from Piedmont ENT) who was so blessed to have known her and to have experienced first-hand her gifts of mercy and compassion. She was a lovely lady, with such a sweet and kind spirit; her love for the Lord was evidenced both by her words as well as her deeds. My deepest sympathy to her many loved ones....

“ Carolyn Gatchell Wulf did her job as a mother and grandmother. She raised a fine son, Brian Bosch, and a wonderful, accomplished daughter, Dr. Dana Bosch Still. Carolyn worked hard and took every opportunity to make time to be with her grandchildren, who love her dearly. It is a blessing that her grandchildren are old enough now to be able to remember her fondly for the rest of their lives. My sincerest condolences to Dick, Brian, Dana, and to Carolyn's grandchildren.

“ Our thoughts and prayers are with Carolyn's family. I enjoyed my mailbox discussions with Carolyn as she would give me the GA Bulldog growl when talking to me about my LSU Tigers each week during football season. We were very fortunate to have her in our lives while we did. Dick, we are thinking of you and the family during this difficult time.

“ The Morgan's wish to express their condolences to Carolyn's family at this time of grieving. Carolyn made the most of living out her “dash” (1945 – 2013). She was an active woman and would always talk about her trips to visit grandchildren to Brenda and me. May God be with the family and provide comfort to all of them in their time of sorrow. For with God, nothing will be impossible – Luke 1:37
