“ *Cathy was a very special cousin. I have so many fun filled memories filled with laughter of her. She went through many serious health issues with a smile and laughter. I can't believe she will not make me laugh again nor will I hear her laugh and see those dancing eyes! She loved her family deeply! So thankful God allowed her to be a part of my life! So thankful her suffering is over and she has met Jesus face to face!*

“ *I can not describe how awesome and amazing it was to call her my mom. She has instilled in me the importance of family and what it means to be a great person. I have never seen anyone who would fight as hard as she did for those that she loved. Words can not express how grateful I am that I was able to spend the last hours of her life holding her hand, kissing her and letting her know how much I love her. I miss her so bad, but am at peace knowing that she has united with her parents and my step father. She was classy, elegant and truly a beacon of hope for all that meet her and I am just proud to know her as mom.*

“ *A very special and loved cousin. So many wonderful childhood memories that have lasted a lifetime. Will always remember her fun sense of humor and unwavering faith during her many earthly trials. Although so sad there will be no more earthly visits filled with her laughter, so happy she is free of pain, and earthly trials, now rejoicing in the presence of Jesus and her loved ones, knowing I will once again be united with her.*
