“ *I am truly saddened to hear that Cecil passed away. She always held a special place in my heart and I love her very much. So many of my childhood memories have Cecil in them and we laughed together so much. She was a character, a sweet one. I am so sorry for your loss as well. My prayers are with ya'll. I visited her in the nursing home several times and of course she didn't know me but now her memory is back and I am sure she is getting her wings in heaven. I will always love her and miss her.*
